

## Measuring amplifier TD-01

Item number: 13432

### Highlights

- Portable indicator
- High-performance color graphic display
- User-friendly menu
- TEDS function
- Data logger
- USB interface

The 1-channel measuring amplifier with display from TEAC is suitable for mobile measurements with sensors based on strain gauges.

## Technical Data

| Basic Data         |                | Unit            |
|--------------------|----------------|-----------------|
| Dimensions         | 140 x 85 x 35  | mm <sup>3</sup> |
| Housing            | Desktop        |                 |
| Connection         | Plug connector |                 |
| Number of channels | 1-channel      |                 |
| Schnittstelle      | TEDS, USB      |                 |
